APPOINTMENT OF POLL WORKERS BY SEPTEMBER 15, 2011:

The Board discussed the list of Democratic and Republican Poll Workers. The Board decided to table the Appointments until the Monday August 29, 2011 Special Board Meeting. Appointments need the vote of 3 Board Members which some of the appointments would not have since Tim Rudd has relatives on the list (and he will abstain from voting on) and Paul Campbell is absent.

DIRECTOR’S REPORT:

Director Miller reported that the Chargebacks for the Special Election of May 3, 2011 are completed. The chargeback to the County will be approximately \$81,620.00. The Board reviewed and signed the Chargebacks.

With regard to a questions that was raised at the last Board Meeting when reviewing Directive 2011- 11 (Withdrawal of Candidacy) as to whether a Full Term and an Unexpired Term for the same office is considered to be two separate offices, Judy advised that Gretchen Quinn at the SOS advised that they were considered to be 2 separate offices. This means that a candidate could withdraw from one term, and then take out petitions or be a write-in candidate for the other term.

Green County Board of Elections in Xenia, is holding the Fall District Meeting, Friday, August 26, 2011. Judy would like Bonnie Carlier, Tonia Blackburn, Jackie Smith, and Terrie Latham to attend. She feels it will be beneficial to attend this meeting with discussions on how to process the upcoming election with the pending election changes. If the committee we are Ohio purports to collect enough signatures by September 29th the new election changes from HB 194 will go on hold and that will move the 2012 Primary back to March. However, there is talk of Emergency Legislation that would move the Primary back to May.

Judy discussed the need for part-time employees for this November Election. She thinks 4 people should be adequate. Gregg Conrad (D) and Donna Brittain (R) have stated that they would come back and we will look for two additional employees.

Judy and Mike looked into precinct consolidation. If the new law goes into effect this does not have to be completed until December 31, 2011. They are planning to make no changes for the November 8, 2011 Election.

There was discussion with regard to the annexation by the Village of Batavia, the land where UC Clermont College and SODC are located that there is no residential property within that area. Judy is to check to see if there are any voters who reside at SODC.

Judy updated the Board about the Electronic Pollbooks. She stated that during the Convention there was talk about using leftover HAVA money toward the purchasing of Electronic Pollbooks. Judy spoke with Matt Masterson at the Secretary of State's Office and was told that there would not be any HAVA money going toward the E-Pollbooks. Judy had Nick Sommer contact the two main E-Pollbook vendors, ES&S and Data Card with regard to future demonstrations for the Board.

Steve Rabolt contacted our office on behalf of Dave Spinney, County Administrator, and stated to Judy and Mike that since it would take about \$1.8 million to replace our election equipment and the County does not have the money to replace everything at one time, starting in 2012 they are allowing approximately \$350,000 for election equipment replacement and upgrades over the next five years. This is part of the 5 Year Budget Plan that Dave Spinney has put together for the Commissioners. Steve Rabolt stated that these monies could be used for the purchase of the E-Pollbooks. Rick asked, "If we do not spend the money the first year, can we double the money to spend the second year?" (Judy and Mike are to get with Steve Rabolt to get an answer to that question.)

Judy attended the County Budget Meeting. They discussed the Annexation of the Filager Complex which does not affect our office which is located in the Village of Batavia and all employees are already having the 1% Income Tax withdrawn from their salaries. They also discussed Health Insurance. The program is going to cost about \$1,000,000.00 more a year. One person from each office is being designated to be on the Employee Advisory Council Recommendation. That Employee Advisory Council has recommended to the Commissioners that they do not make any changes to the program and are asking the Commissioners to absorb any cost increases since there have been no raises over the last 4 years.

Judy advised the Board that the **Southern Ohio Educational Service Center** has redistricted. Our candidate for the Southern Ohio Educational Service District (in which Blanchester Local School District is located - Precincts of Wayne Township A and D) will now be located in Sub-District #2 and will run for a 2-year term this year (2011) only. Starting in 2013, the candidate for that district will run for a 4-year term.

DEPUTY DIRECTOR'S REPORT:

Deputy Director Keeley reported to the Board that the annex renovation has started. The wall in the absentee voting room has been moved outward, which gives us about another 8 feet in the room. The air exchange has been ordered and should be installed by the time the remodeling is completed.

Rick inquired if Commercial Works had settled with us regarding the damages from the ballot boxes. Mike stated that they had.
